

INFORMATION ON TERMITES AND OTHER PESTS

Louisiana State University Agricultural Center Website:

<http://www.lsuagcenter.com/en/environment/insects/Termites/>

University of Hawaii Website:

<http://www2.hawaii.edu/~entomol/>

University of Nebraska, Lincoln Website:

<http://www.ianr.unl.edu/>

Search for "termite".

Pest Controllers Association Website:

<http://www.termite.com/>

Very thorough information for builders and homeowners.

Further reading (termites): Possibly the most comprehensive guidance on termite control is provided by Australian standards, including:

- AS 3660.1-2000 Termite management – New building work
